

Introduction

Help us tell the story of how Boulder's artists contribute to our economy and social cohesion.

Dear Artist – This is a census for professional artists who work and/or live in the City of Boulder. Your answers to this census will inform the Boulder Office of Arts and Culture in important ways by providing information about the role artists play in our local economy and in society. This is perhaps more important today than at any time in our country's political history.

This is an anonymous questionnaire. Please answer all questions as completely and correctly as possible. Each answer you provide is important to us and will be held in strictest confidence. Only one census per person, please.
