

## Dance/USA Announces Updates to Two Services!

### 1. Search for jobs or auditions in our new searchable and sortable directories!

It's now even easier to find the right job for you in the dance field!

You'll continue visiting our [Jobs, Auditions, and Internships](#) page on the Dance/USA website, only now you'll be prompted to access either the new Job or Audition Directory.

With the directories you can now:

- **Sort and search for jobs** by job title, location, type of employment, and more!
- **Sort and search for auditions** by position title, company, location, and more!

Visit, [this page](#), and under the *Submit an Announcement* section you'll be prompted to complete an online form for a job or audition posting.

**For organizational members** - Job and Audition postings will continue to be free of charge. Once you reach the checkout page the cost will be reduced to zero.

**For individual members and non-members** - Job and Auditions posting will continue to cost \$30.00 per post (for 30 days on the Dance/USA website and/or to appear in 1 Bulletin).

### Some helpful hints:

- Please allow 3 business days for the Membership Department to review and publish the posting to the Dance/USA website.
- Once published online, postings will remain active on the Dance/USA website for 30 days and/or the posting will appear in 1 Bulletin.
- An email notice will be sent to you 3 days prior to the posting's expiration, giving you an opportunity to renew your posting if you so desire.
