

## Be a Boulder Arts Week Business Champion!

Are you an arts-loving business that would like to support Boulder Arts Week? To make Boulder Arts Week a success, we're asking Boulder businesses to support the arts in a non-traditional way.

Boulder Arts Week Business Champions support the Week as marketing and outreach partners. It is free and easy.

As a Business Champion you'll receive:

- Listing and link on the [Boulder Arts Week website](#)
- Shout out on the Boulder Arts Week [Twitter](#) and [Instagram](#) accounts
- Listing in a printed Daily Camera ad

To be a Business Champion we ask that you:

- Post our tasteful Boulder Arts Week signage in a window
- Post about the Boulder Arts Week in your newsletter and your social media platforms
- Have Boulder Arts Week flyers available for your patrons
