Hello Dancers!

My name is Lauran Stanis and I am working on my Masters in Dance Education at the University of Northern Colorado. My thesis project is researching education for musical theatre dance professionals. I am surveying two groups of dancers: Dance degree holders and Musical theatre dance professionals. Willing participants may only take one survey.

Dance Degree holders: Anyone who has a dance degree

Please feel free to share these links with any dancers who fit in either category. The more participation the better data for advocacy and awareness! If you have any questions, please email me at Lauran.Stanis@gmail.com.

Thanks! And happy dancing!
