

Residency Opportunities | July + August 2019

Below is a list of residency programs and special opportunities with upcoming deadlines! You can find information on hundreds of programs as well as tips for researching, applying for and funding your residency [here!](#)

NEW MEMBER! [CAMP](#) (Aulus les bains, Ariège, France) offers five-day residential courses taught by celebrated creators from around the world. Each workshop includes classes and activities, a private room, all meals, post-course support, access to a darkroom, art library, and facilities for recording, editing & rehearsal - and more. Applications are accepted on an ongoing basis for courses between April and November. [[read more](#)]

[Tlacopac International Artist Residency](#) (Mexico City, Mexico) is a new residency in a vibrant neighborhood in southern Mexico City. Dedicated to the practice and pursuit of all art forms, Residencia Artística Tlacopac welcomes not only individual visual artists/writers/performers, but also groups - theater, dance, & music and college, university, or conservatory-level performing arts programs. The site includes a wood-floored performance gymnasium suitable for the development of works by up to 12 members. Applications are accepted on an ongoing basis and spots are available for 2019. [[read more](#)]

[Banff Centre for Arts and Creativity](#) (Banff, Canada) is a unique "village of the arts" situated on a beautiful 43-acre campus in the Canadian Rockies. The Centre's Literary Arts programs provide an inspiring space and focused time for emerging and established writers to push the boundaries of their talent and realize their potential. Applications are due on 6/26 for the Investigative Journalism Intensive, on 7/31 for the Emerging Writers Intensive and Mountain and Wilderness Writing

programs, and 8/21 for the Late Fall Writers Retreat. Deadlines: Various [[read more](#)]

[Light Work](#) (Syracuse, NY - United States) is an international residency program open to all artists working in photography or image-based media, from any country. Each year 12-15 artists are invited to live and work in Syracuse for one month. Accepted artists receive a \$5,000 stipend, an apartment, a private digital studio, a private darkroom, and 24-hour access to the Light Work facility and equipment. Deadline: July 1. [[read more](#)]

[Elsewhere Studios](#) (Paonia, CO - United States) is a self-described “choose-your-own-adventure style residency” offering residents versatile spaces and opportunities to connect and interact with other artists, to create or participate in art exhibitions, and to teach classes or workshops. Deadline: July 7. [[read more](#)]

[Art Omi: Writers](#) (Ghent, NY - United States) hosts authors and translators from around the world for no-cost residencies in the Catskill Mountains of New York. Applications are also being accepted for Translation Lab, a special 12-day intensive residency for four collaborating writer-translator teams in the fall of 2019. Deadline: July 15. [[read more](#)]

[Crosstown Arts](#) (Memphis, TN - United States) offers multidisciplinary residencies to visiting and Memphis-based artists and curators, working in any creative discipline including visual and performing arts, music, film, and writing in all genres. All residencies include a private studio workspace and musicians are granted access to a shared recording studio. Deadline: July 15. [[read more](#)]

[Kala Art Institute](#) (Berkeley, CA - United States) invites applications for one-, two-, or three-month residencies from artists working in various printmaking techniques, photo-processes, book and digital arts. Considerations for acceptance are conceptual creativity and technical knowledge. Kala encourages use of both traditional and new technologies, and their admixture. Deadline: July 15. [[read more](#)]

[Willapa Bay AiR](#) (Oysterville, WA - United States) offers month-long, self-directed residencies to emerging and established artists, writers, musical composers and songwriters. Situated on 16 acres in coastal southwest Washington State, the

program provides lodging, meals, and workspace, at no cost, to six residents each month, from March 1 through September 30. Deadline: July 31. [[read more](#)]
